Subject: HASP Documents needed ASAP Please

Thank you Jamie,

David,

Hello my name is Jason Nakatsu and I'm the SO for the Gold King Mine response and I need to get coping you can help me out! I am in need of copies of the mine site work HASP and all of the subsequent HASPS for the field sampling work post spill release. Would it be possible to email these documents to me ASAP? Thank you.

Hey Jason-

I'm putting you in touch with Dave Robinson-he is the Weston Health and Safety lead as well as the START Removal Program manager (hopefully I got his titles right!) he is the man to talk to about our approach to the HASPs and such. Please let me know if you need anything else, otherwise Dave will be in touch! Thanks!
